(Stock code: 2878)

PROFIT WARNING

This announcement is made by Solomon Systech (International) Limited (the "Company", together with its subsidiaries, shall collectively be referred to as the "Group") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "Board") wishes to inform the shareholders and potential investors of the Company that the Group is expected to record an increase in loss attributable to the equity holders of the Company by around 50% for the six months ended 30 June 2018, compared with a loss attributable to the equity holders of the Company of US\$5.6 million for the six months ended 30 June 2017.

Notwithstanding an increase in total unit shipments and sales in the first half of 2018 because of new products introduced to the market compared with that of 2017, the expected increase in loss attributable to the equity holders of the Company for the six months ended 30 June 2018 was mainly attributable to the following:

- (1) provision of obsolete inventories due to change in the market demand for the Group's products resulting in diminished gross profit margins; and
- (2) decrease in net finance income because of a less favourable investment environment during the first six months of 2018 compared to the first six months of 2017.

The Company is still in the process of finalizing the Group's interim results for the six months ended 30 June 2018. The information contained in this announcement is only based on the Board's preliminary assessment on the Group's latest unaudited consolidated management accounts for the six months ended 30 June 2018, which have not yet been reviewed by the independent external auditors of the Company nor the audit committee of the Board. The unaudited consolidated interim results of the Group for the six months ended 30 June 2018 may be subject to further adjustment(s) and may be different from the information contained in this announcement. Further details of the Group's financial information will be published in the Company's announcement of interim results for the six months ended 30 June 2018, which is expected to be published before the end of August 2018.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
